	23	In spite of numerous demands, Director of Health Loretta Fuddy refused to allow the inspection of the original birth certificate of either Obama or Sunahara in lieu of the alleged certified copy...	Taitz's complaint is that Fuddy refused to concede to Taitz's demands in her official capacity as Director of Health.

Fuddy is identified in official capacity; April 25 letter was issued in Fuddy's official capacity; any alleged duty to "speak up" could only exist in context of her official capacity.

Pleading	Page	Allegation	Notes
Taitz Motion for Judicial Notice & Reply to MDEC Motion to Supplement & Request for Emergency Hearing [ECF 37]	4	Aforementioned affidavits attested to the fact that the vital records not only represent forgeries, but more importantly, the stamp of the registrar, Alvin T. Onaka, (Hereinafter "Onaka") and date stamp on the "document" in question were imported from another document and were located on a different layer, when the document was opened in "Adobe Illustrator" program. The security paper was applied after the document was prepared, which was an additional sign of forgery. Based on all of the above, the only way to authenticate the alleged copy was an expert examination of the original document on file since 1961 and the corresponding microfilm. It was clear that authentication by the same employee, Alvin T. Onaka, who is a co-defendant in this case of racketeering, fraud and forgery, would be self-serving, biased and with no evidentiary value.	Onaka is identified in his official capacity; complained of action (issuing verification of birth certificate) occurred in his official capacity.
	5	In response, Begley and Tepper sought to supplement their response by retroactively seeking some validation from an official in Hawaii, registrar Alvin T. Onaka, who was complicit in the forgery and uttering of forged documents in the first place.	Onaka is identified in his official capacity.
	7	As Onaka submitted verification to this court and Obama made alleged birth certificate public, Onaka would be prevented from claiming privacy and refusing to present the original documents he used as a basis for his certification, submitted to this court by Begley and Tepper.	Alleged action (however factually incorrect) occurred in context of official capacity; demanded action (producing original documents) could only occur in context of official capacity.

Alleged action (however factually incorrect) occurred in context of official capacity; alleged "use" of original documents could only occur in context of official capacity.
